Lot Number: 66**Limited Edition Rum**

Description: Coyopa is made from sugarcane gathered during the great Crop Over Festival of Barbados, the annual celebration of the sugarcane harvest. The cane is pressed and the molasses is mixed with fresh spring water that is naturally filtered through fine coral. After distillation, the rum is aged ten years in oak casks. During this time, Coyopa gains its character and depth. Rum meets rocket science... When creator Sidney Frank dreamt of Coyopa Rum, he knew that only a very special bottle could contain this dynamic, charismatic rum. The bottle had to have as much character as the rum itself.
